Brick Breaker Block Pack

Brick Breaker Block Pack is a vibrant asset pack containing 2D **Block / Brick** elements. Contains over **1700** individual brick or block elements in the following long and short sizes, **256x128**, **128x128**, **128x64** and **64x64**, **10** Colour variations and **special** blocks are also provided.

The **2D** elements are perfectly suited for brick or block breaking type games, like arkanoid for instance, the 2D elements can also be utilised in other 'block' based games, for instance, physics, block slide, block removal, or in whatever form your personal requirements are for your projects.

Original **Illustrator** source files included for all **Brick Breaker Block Pack** texture data. Especially useful should your project require alternate resolutions, or further manipulation of colours or other extraneous information.
